MEDIA RELEASE

REX ANNOUNCES COMMUNITY FARE FOR CEDUNA

Regional Express (Rex) and the District Council of Ceduna have agreed to renew the current partnership agreement for five years until 30 June 2024. The renewed partnership agreement will see the introduction of the Rex Community Fare scheme between Ceduna and Adelaide.

The five-year agreement sees the immediate introduction of a 149.00 “Rex Community Fare” between Ceduna and Adelaide. The Community Fare will be available outside of 30 days prior to departure subject to Community Fare availability, in addition, all remaining unsold seats within 24 hours to prior departure.

Warrick Lodge, Rex General Manager Network Strategy & Sales said, “Ceduna is the 16th regional community to receive the successful Rex Community Fare scheme. It is wonderful to see this community-focused scheme being implemented in Ceduna, which is a regional community that Rex has had a long and established partnership with”.

“Rex and its predecessor Kendell Airlines have serviced the Ceduna community for 33 years, and the introduction of the Community Fare between Ceduna and Adelaide rewards the long-term approach that has been adopted by Rex and the District Council of Ceduna over many years”.

District Council of Ceduna Mayor Perry Will said “The new partnership agreement is a testament to both Rex and the Council’s pragmatic approach to ensuring our community continues to have a regular passenger air service between Ceduna and Adelaide. The inclusion of the Rex Community Fare scheme as a part of that agreement also demonstrates Rex’s commitment to providing an affordable cost to the community”.

The Rex Community Fare (Rex Promo) is available for purchase via www.rex.com.au.

Regional Express (Rex) is Australia’s largest independent regional airline operating a fleet of more than 50 Saab 340 aircraft on some 1,500 weekly flights to 60 destinations throughout all states in Australia. In addition to the regional airline Regional Express, the **Rex Group** comprises wholly owned subsidiaries **Pel-Air Aviation** (air freight, aeromedical and charter operator) and the **Australian Airline Pilot Academy**.
