REX REGIONAL TO DOMESTIC THRU-FARES BRINGS SIGNIFICANT BENEFITS TO REGIONAL AUSTRALIA

To celebrate the commencement and expansion of Rex's domestic services, Rex has introduced special thru-fares connecting Rex's vast regional network with its new domestic routes.

On 1 March 2021, Rex commenced B737 domestic services between Melbourne and Sydney and announced new domestic services between Melbourne and the Gold Coast from 29 March, Melbourne and Adelaide from 31 March, and Sydney and the Gold Coast from 1 April.

Rex General Manager Network Strategy, Mr Warrick Lodge, said, "These special Rex thru-fares represent exceptional value for money. Rex's new domestic services are delivering significant socio-economic benefits to the national economy and we are excited to be extending these benefits to Rex's regional network".

"When you combine the attractive thru-fare pricing with the ability for Rex passengers to check-in to their final domestic destination, including the seamless transfer of baggage, it is something that we see as a game-changer for regional communities".

The thru-fares are available via the Rex website for bookings up until 31 March (refer to the Annex appended to this media release). There are no travel period restrictions and Promo fare conditions apply.

Rex is Australia's largest independent regional and domestic airline operating a fleet of 60 Saab 340 and four Boeing 737-800NG aircraft to 61 destinations throughout all states in Australia. In addition to the airline Rex, the Rex Group comprises wholly owned subsidiaries Pel-Air Aviation (air freight, aeromedical and charter operator) and the two pilot academies, Australian Airline Pilot Academy in Wagga Wagga and Ballarat.
