### REX ANNOUNCES COMMUNITY FARE FOR PORT LINCOLN - ADELAIDE

Regional Express (Rex) and the District Council of Lower Eyre Peninsula have entered into a three-year growth incentive agreement until 30 June 2022, that will see Rex introduce the highly successful Rex Community Fare scheme between Port Lincoln and Adelaide.

The Rex Community Fare between Port Lincoln and Adelaide is priced at **\$109 each way** and available outside of 30 days prior to departure subject to Community Fare availability, in addition to all remaining unsold seats within 24 hours prior to departure.

Warrick Lodge, Rex General Manager Network Strategy & Sales said, "Rex has operated very frequent and reliable air services between Port Lincoln and Adelaide since 2002, and prior to that through its predecessor Kendell Airlines since 1986. Rex understands that the combination of fare affordability, flight frequency and reliability is something that delivers significant benefits to regional communities such as Port Lincoln".

"Rex operates 102 flights between Port Lincoln and Adelaide each week with up to eight return flights on week-days. The Rex timetable caters for the specific needs of the Port Lincoln community with the ability to undertake same-day return travel from both Port Lincoln and Adelaide. The combination of Rex's extensive flight frequency, superior on-time-performance (92.4% departure rate in FY19) and the \$109 Rex Community Fare, will deliver significant socio-economic benefits to Port Lincoln and the surrounding districts."

Mayor Quigley said "The partnership agreement between the District Council of Lower Eyre Peninsula and Rex Airlines is an exciting opportunity for the residents of the Lower Eyre Peninsula, benefiting the travelling public, along with local businesses across our region. Rex adding the Community Fare scheme is a significant benefit to the region by introducing low airfares to and from the Port Lincoln Airport."
