REX RELEASES ADDITIONAL SNOWY MOUNTAINS WINTER SERVICES

Regional Express (Rex) has released additional winter services between Sydney and the Snowy Mountains (Cooma) between 10 June 2016 and 2 October 2016.

This follows Rex's announcement on 19 November 2015 that it would be reinstating services to the region starting 23 March 2016 in time for the Easter break.

Prepared in consultation with Snowy Mountains Airport Corporation (SMAC) and local stakeholders, the additional winter services will provide much needed additional capacity for the winter ski season, with additional services on Fridays, Saturdays, Sundays and Mondays. The year round flight schedule of five return weekly services provides 340 weekly seats, which will increase to 612 weekly seats from the June long weekend, and then 816 weekly seats during the peak season from the beginning of July through until the October long weekend.

Reservations can be made on the web via www.rex.com.au, by phoning 13 17 13 or through your local travel agent. The confirmed full schedule is shown in the Annex.

Regional Express (Rex) is Australia's largest independent regional airline operating a fleet of more than 50 Saab 340 aircraft on some 1,500 weekly flights to 58 destinations throughout New South Wales, Victoria, Tasmania, South Australia, Queensland and Western Australia. The Rex Group comprises Regional Express, air freight and charter operator Pel-Air Aviation and Dubbo-based regional airline Air Link, as well as the pilot academy Australian Airline Pilot Academy.
